Crater - Cool, sculpted, precise.

Fresco - Textured to create a Mediterranean style.

Stucco - For an authentic deco feel.

Weave - Richly interwoven basket weave.

Nominal size 600 x 400 x 13mm

In addition to the embossed range, choose from

Michelangelo Undercoat

Plain Tiles -

A general purpose smooth tile.

Nominal size 600 x 300 x 13mm

Michelangelo Scotia -

For the perfect cornice finish in 3m lengths.

Home-owners, schools and small business owners alike are re-discovering the fully integrated and functional design possibilities of Michelangelo wall and ceiling panels.

Whether lowering the ceiling of an old-style villa or shop, or adding an element of style to your bach, garage or basement, you can count on Michelangelo panels as the perfect partner in performance and design, combining both functionality and style.

Quick and easy-to-install, Michelangelo panels are lightweight and can easily be fixed over an existing surface.

They come pre-finished in white undercoat - simply add the paint of your choice to co-ordinate with the rest of your décor.
